

PARRAMATTA LESBIAN SOCIAL GROUP

Parramatta Lesbian Social Group has been formed to unite lesbians and bi-sexual women who work, live or socialise in the Parramatta area. We attempt to set all of the events so they are easy accessible to people who rely on public transport, have limited income etc. Our regular outings include: coffee, bowling, picnics, festivals, live bands, rock climbing, movies, dancing, dinner etc.

For more information or to be kept up to date with any events you can:-
